

TEACHER EVALUATION SHEET

Thank you for sharing one of our “Embracing Freedom” books with your students. In order to maximize the impact of the books and to secure funding for their production, we need to gather feedback from those who have used the book in a real classroom situation. Would you please take a moment to answer the following questions? (Use another sheet if necessary)

1. Which book did you read to the class?
2. What did you think of the book, from a teaching perspective?
3. Did you feel the students learned something new by reading the book?
4. Do you feel that you currently have adequate resources for activities and lessons regarding citizenship, patriotism, civics and the role of the Armed Forces?
5. How did your students react to the book?
6. Were the themes age-appropriate in your opinion?
7. Were the characters understandable and relatable to the children?
8. Did you use the activity sheets and were they useful to you? Did the students enjoy and understand them?
8. Do you have any additional comments that will help us improve this book or the series?

If you have any ideas you would like to share for future books or lesson plans, please contact us at info@americanveteransinstitute.org.

THANK YOU!
